

Current Clinic Policies due to COVID-19

To respect the health of our staff and other patrons, we please ask that you follow the guidelines listed below:

1) Do NOT come to our clinic if you or any household member would report a yes to ANY of the following prompts during the past 14 day period:

-International travel

-Travel on cruise ship

-Fever over 100 degrees, persistent cough, breathing difficulty, or flu fatigue symptoms

2) Please CALL our clinic if you are in need of any prescription refills, food or supplies so that they can be prepared, prepaid and planned for pick-up OUTSIDE at our designated clinic location.

3) Please CALL our clinic if your pet is in need of an examination to determine if a Telephone / Text Consultation with Dr. Colombo would save you a visit. (Exam Consult Fee applies to this service)

4) For scheduled pet appointments, please CALL our clinic UPON ARRIVAL in the parking lot. We will come to your vehicle to receive your pet using our slip lead. Upon completion of the exam, your pet will be returned to your car along with any supplies and your payment receipt.

5) After hours emergencies are still referred to the Animal Emergency Center at 321-725-5365. Please follow their current COVID-19 policies for patient services as directed.

Thank you for your patience and kindness. We appreciate you and your pets and plan to do our best to keep us all happy and well.

Best Regards,

Dr. Rebecca, Liz, and Tracy
